HOW TO USE CAMPUS PHONES

CENTREX is the name of the telephone service in use on the Chicago Circle campus and at the Medical Center. Essentially, it consists of private lines, each of which carries the 663 prefix and the four digits of each private line.

On-Campus and Medical Center Calls: Dial only the last four digits of the 663 number you are calling.

Conference Calls: Up to five persons, three local and two outside, can participate in a conference call. Dial 7036 and give the operator the numbers of those with whom you wish to talk. Remain on the line. Should you wish to convert an incoming individual call to a conference call, depress your phone plunger once only. Give the operator the numbers of the additional persons and remain on the line.

To Transfer an Incoming Call: After informing the caller that you will transfer his call, depress the plunger only once. (Successive depressions may disconnect the call.) Transfer by number whenever possible. When operator answers, give her the number to which the call is to be transferred.

Information: Dial 9, then dial 411 for local information or 9, the area code, then 555-1212 for long distance information.

Service Calls: To report service difficulties, dial O, the University operator.

Itemized Monthly Statements: CENTREX will record automatically all outgoing calls from your telephone, and you will receive a monthly statement. Local and suburban calls will be recorded as message units. Long-distance calls and calls placed through the operator will be recorded by the number called.

OUTGOING CALLS

Direct Dialing

Outside Telephones: Dial 9, (Chicago and Suburbs), then the outside number immediately. Disregard the continuing dial tone after you have dialed 9.

To the Urbana Campus: Dial 174, then 3, then the four-digit extension of the person you are calling. There are no toll charges for 174-line calls; the cost is included in the monthly service charge.

Station-to-Station Within Illinois Via the WATS Lines, (excluding Chicago and Suburbs). Dial 198, wait for a second dial tone, then dial the area code and the number you are calling. These lines are for University business only. There are no toll charges for 198 (WATS) calls; the cost is included in the monthly service charge. Should you be unable to obtain a WATS line and your call cannot be delayed, use the regular long-distance lines by dialing 9, the area code, and the number wanted.
NOTE: Such calls will be billed, at regular long-distance rates, to your telephone.

Long Distance Calls

Station-to-Station Outside Illinois: Most such calls can be dialed directly. Dial 9, the area code number, then the local number. See your Chicago City Directory for area code numbers. Such calls will be billed, at regular long-distance rates, to your telephone.

Person-to-Person: Dial 9, then 211—the long distance operator will complete your call. Such calls will be billed, at regular long-distance rates, to your telephone. The operator will ask for your number. Give her the seven digit number of your phone.

Personal Long-Distance Calls: Dial 9, then 211, request that the call be charged to your home telephone.

The University will not be charged for:

Busy-number or no-answer calls.
Partially dialed numbers on which you hang up.
Information calls to a distant city.
Wrong numbers reported immediately to the operator.
If the wrong number was a suburban call, report by dialing 9 and then 0 (operator). For wrong-number long distance calls, report by dialing 9 and then 211.

Wrong Numbers: If a wrong number is reached through direct dialing outside the University, your number will not be charged for the cost of the call if you immediately notify the Telephone Company.

A. **For Local Calls:**
1. Non-restricted stations—dial 9, then 0 for the Telephone operator.
2. Stations restricted to the Chicago area—dial 0 for the University operator.

B. **For Long Distance Calls:**
Dial 9, then 211 for the Telephone Company operator.

Telephone Repair Service:
Dial 0 and give the University operator the information.

INCOMING CALLS

Local

Request persons off-campus who call you regularly to use your private line—663 and the four digits assigned to you.

Long Distance—Direct Dialing

Our area code is 312. A long distance caller will reach you by dialing 312-663- and your four digit number.
